

An aerial photograph of an urban area. A large, rectangular industrial site is outlined in white and labeled 'EX OMA' in the top left corner. The site is situated between a railway line and a residential area. The railway line runs horizontally across the middle of the image. To the right of the railway line, there are several residential buildings with red-tiled roofs. To the left of the railway line, there are more industrial buildings and a parking lot. The overall scene shows a mix of urban development and industrial infrastructure.
